Komi 5.5 Resultado Gana Takemiya Masaki (negras) por abandono

A 20x20 grid with columns labeled A through T and rows labeled 1 through 20. Each cell contains a numbered circle. The circles are colored either black or white, alternating in a checkerboard pattern based on the sum of their column and row indices. For example, circle 1 is at column R, row 1 (black), and circle 2 is at column S, row 2 (white). The numbers 1 through 200 are distributed across the grid, with some numbers appearing in multiple cells (e.g., 1 appears in R1 and Q16, 2 in S2 and D4).
