The image shows a Go board with columns labeled A through T and rows numbered 1 through 20. The board is populated with numbered black and white stones. Black stones are numbered 1 through 60, and white stones are numbered 1 through 128. The stones are distributed across the board, with some intersections empty. The numbering suggests a sequence of moves, with white moving first (1, 3, 5, etc.) and black moving second (2, 4, 6, etc.).
