The diagram shows a 19x20 grid representing a Go board. The columns are labeled A through T, and the rows are labeled 1 through 19. Each intersection contains a circle with a number, indicating the order of capture. Black stones are numbered 1 through 119, and white stones are numbered 120 through 258. The board shows a complex sequence of captures, with some intersections empty. The numbering starts at 1 in the bottom right and proceeds in a bane-like pattern across the board.
