A 20x20 grid with columns labeled A through T and rows labeled 1 through 20. The grid contains 160 numbered circles, each with a number from 1 to 160. The circles are distributed across the grid, often in clusters. Some cells are empty, marked by a small black dot. The circles are colored either black or white, alternating in a pattern that suggests a checkerboard or similar alternating scheme. The numbers are placed inside the circles, and the grid lines are thin and black.
