Resultado Gana Lee Yujin (negras) por abandono

The image displays a 20x20 grid with columns labeled A through T and rows labeled 1 through 20. The grid contains 154 numbered circles, each representing a data point. The circles are numbered 1 through 154, with the number inside the circle. The circles are colored either black or white, alternating in a pattern that suggests a checkerboard or parity-based assignment. The distribution of points is dense in the upper-left and lower-left quadrants, with a few scattered points in the upper-right and lower-right quadrants. The points are arranged in a way that suggests a complex, non-random pattern, possibly representing a specific mathematical or physical phenomenon.
